Make Experience Letter..

What is work Experience Letter or Experience Certificate

Experience Letter is a formal official and Business Letter printed information on company's Letterhead with signature of authority and stamp of the company about a staff employment job confirmation. Experience Certificate also called an **Appreciation Letter** or **Experience Statement**.

How to write

The experience certificate format must include Employer details as Name, position, period, and skills signed by the concerned authority to confirm the employment with the organization. The certificate is issued by the employer on company's letterhead and can be used for show previous employment history.

Work of Human Resources Development Department

A work Experience Certificate is a letter issued by the [HRD Department](#) confirm the time period the employee was associated with the company and also certifies the skills and work experience of an employee.

It is also an essential Exit Letter, which is required when the employee leaves the company. This letter is required to verify the employee's previous work skills and experience. Hence, the HR department should write this letter with utmost care.
